80g ca. 60% PES, 40% wood pulp

Color white & black

Make up available & weight Roll ca. 100m x 90cm white & black: 40g/m²
50g/m²
65g/m²
80g/m²

Features

- High quality and very stable wet-laid backings. The production process of these materials allows a regular alignment and distribution of the fibers. This is why these all-round backings are resistant and soft at the same time.
- CMX can be framed "tight as a drum".
- For light, medium and heavy fabrics such as shirts, silk, denim or children's clothing
- Roll cutting service available

Recommendations for care

Certification

STANDARD 100 by OEKO-TEX®, annex 4, product class I

Disposal

Offcuts can be disposed of with your household waste.
